

## GRAEAE-II-40-SWA

## Product specification

## INTERIOR WALL LIGHT

## Technical Specification

|                         |                   |       |       |
|-------------------------|-------------------|-------|-------|
| Article number          | 2015.119          |       |       |
| LED Consumption         | 7W                |       |       |
| Fixture Consumption     | -                 |       |       |
| Current / Voltage       | 350mA / 17.8Vdc   |       |       |
| CRI                     | 90+               |       |       |
| CCT                     | 2700K             | 3000K | 4000K |
| LED Lumen <sup>*1</sup> | 618lm             | 656lm | 716lm |
| Delivered Lumen         | -                 | -     | -     |
| Beam Angle available    | 18°/23°/35°(Lens) |       |       |

## Driver Technical Specification (Built-in)

|                                 |                     |                          |                      |
|---------------------------------|---------------------|--------------------------|----------------------|
| Driver Brand                    | MEAN WELL           | Driver Model             | APC-8-350            |
| Input voltage / Frequency range | 90-264Vac / 50/60Hz | Output Current / Voltage | 350mA / 11-23Vdc     |
| Dimming / Flicker               | Non / Free          | Certification            | ENEC / CE / CCC / UL |
| Power Factor                    | >0.9                | Warranty                 | 2years               |

## Technical character

|                       |                   |
|-----------------------|-------------------|
| Products Standard     | IEC 60598-1       |
|                       | IEC 62031         |
| Insulation            | CLASS II          |
| Protection            | IP20              |
| Tilt / Rotate         | -                 |
| Operating temperature | 0~35°C            |
| Average Failure Time  | L80(11k)>61000(h) |

## Materials

|                         |                        |
|-------------------------|------------------------|
| Luminaire               | extruded aluminum      |
| Trim                    | -                      |
| Optics                  | PC Lens                |
| Heat sink               | extruded aluminum      |
| Fixture color available | white / black          |
| Baffle                  | PC                     |
| Baffle Color available  | white / black / copper |

## Accessories

## Photometric

## Remarks

\*1. LUMEN : for LED chip test result based on Tc=85°C. This is the ideal (Maximum) lumen. This lumen information is from the LED supplier.
