## Product specification

## INTERIOR TRACK LIGHTS

## Technical Specification

|                         |                        |        |        |
|-------------------------|------------------------|--------|--------|
| Article number          | 2319.228               |        |        |
| LED Consumption         | 12W                    |        |        |
| Fixture Consumption     | -                      |        |        |
| Current / Voltage       | 350mA / 32.9Vdc        |        |        |
| CRI                     | 90+                    |        |        |
| CCT                     | 2700K                  | 3000K  | 4000K  |
| LED Lumen <sup>*1</sup> | 1391lm                 | 1454lm | 1538lm |
| Delivered Lumen         | -                      | 1342lm | -      |
| Beam Angle available    | 20°/25°/38°/50° (Lens) |        |        |

## Driver Technical Specification (Remoted)

|                                 |   |                          |   |
|---------------------------------|---|--------------------------|---|
| Driver Brand                    | - | Driver Model             | - |
| Input voltage / Frequency range | - | Output Current / Voltage | - |
| Dimming / Flicker               | - | Certification            | - |
| Power Factor                    | - | Warranty                 | - |

| Technical character   |                  | Materials               |                 |
|-----------------------|------------------|-------------------------|-----------------|
| Products Standard     | IEC 60598-1      | Luminaire               | Forged aluminum |
|                       | IEC 62031        |                         | aluminum        |
| Insulation            | CLASS II         | Optics                  | PC Lens         |
| Protection            | IP20             | Heat sink               | Forged aluminum |
| Tilt / Rotate         | 0~200° / 0~130°  | Fixture color available | white / black   |
| Operating temperature | 0~35°C           | Baffle                  | PC              |
| Average Failure Time  | L70(10k)55000(h) | Baffle Color available  | white / black   |

## Accessories

S-001  
Long snootS-002  
Asymmetrical snootSG-001  
Striped glassH-001  
Honeycomb louver

## RW-920

Type: Track

Colours    
Black White

## RW-U10

Type: Track

Colours    
Black White

## RW-O39

Type: Track

Colours    
Black White

## Remarks

\*1. LUMEN : for LED chip test result based on Tc=85°C. This is the ideal (Maximum) lumen. This lumen information is from the LED supplier.

**Photometric**
